

Collaborating Organizations for the 2008 Lakeshore Region Summit on Racism!

May 20th at Hope College

our future depends on inclusion...

We hope you will help us by getting the word out to as many people as possible. For the first five Summits, over two thousand people attended, and we hope to have a large number participating this year! It will be held at Hope College from 7:30 a.m. to 4:00 p.m. on May 20th. The cost of registration is \$20 per person, and includes lunch. Registration begins online at www.ethnicdiversity.org on March 20, 2008. Here are some ways you may help:

Get the word out:

- Include us in your website (logo and link provided)
- Add in your newsletters (electronic and print). Download text online.
- Send an email, or include in an email you are already sending to your constituents
- Invite other organizations to pass along this information too (forward the logo, link, and text to anyone interested in helping)
- Mention the Summit at your events (Summit handouts can be made available and sent to you beforehand)
- Have handouts available at your location (these will be provided).

Volunteers needed:

- The night before the event (May 19th), we need 30 volunteers to assemble 700+ packets for participants, and set-up the rooms.
- The day of the event (May 20th), we need 20 volunteers to help with registration, and an additional 10 volunteers to lead groups of people to the breakout sessions.

Donate supplies:

- For the event, it helps us to keep the cost of registration low by receiving supplies for the participants. We need 700 folders, pens, and notepads (they do not need to match or be all the same.)

Get recognition:

- All organizations and businesses that help spread the word have the opportunity to be recognized as a Collaborator for the Summit. They just need to contact us and let us know. So please forward this information to any others who may wish to help!
